During the refreshment hour, Bro Theodore E. Howard will give a short talk on Horticulture with special reference to Amateur Gardening. "Teddy" is President of the Winnipeg Horticultural Society and has also arranged to show two moving pictures in color. The first one taken by Dr. C. H. Goulden of the University of Manitoba, shows cultivated Fruit Trees in bloom—the ripe fruit—packing, etc., as well as some beautiful shots of the Flower beds at the Government Experimental Station at Morden. The second film taken by Wm. Cross for the Winnipeg Horticultural Society shows beautified Home Sites in Winnipeg—exhibits at the Fall Flower and Fruit show and the Rockery at Indian Bay, which is the finest in Western Canada. All lovers of Flowers will find these very interesting and instructive.

"After all there is no substitute for the reflection of our Creator's Handiwork as mirrored in a beautiful bouquet of Flowers."

The following have been added to the reception committee:

Bro. Gordon Buchan.  
Bro. Walter H. Fogg.
